All proceeds from the event will benefit the ANNIKA Foundation's global mission to grow the game of golf and inspire the next generation of women.

Our Mission:

Annika created the ANNIKA Foundation to develop, empower, and advance young women around the world through golf and in life. More specifically, the Foundation provides opportunities in golf for young girls, juniors, collegiate women, and professionals through clinics, tournaments, and development programs, while teaching young people the importance of personal development, including living a healthy, active lifestyle through fitness and nutrition.

BY THE NUMBERS

Over \$11.5 million given back to women's golf since inception.

We have impacted 9,300+ young women from 60+ countries.

925+ past ANNIKA players have played Division I college golf.

340+ ANNIKA alumnae have competed on the Epson Tour or LPGA Tour.
